VEHICLE TRACKING SOFTWARE

Keep Your Eyes on The Job! Introducing our easy-to-use Vehicle Tracking and Monitoring System here at Eworks Manager.

Our new original **Quick Plug & Play Vehicle Tracking Device** has its many benefits for your business such as:

- Helps you and your business save money
- Fully integrated into our Job Management Software
- Keeps effective time management
- Track and trace your staff live on the job
- Control driving behaviours
- Gives you unlimited history on all your drivers with our playback feature
- One of the cheapest solutions on the market today!

Two (2) types of devices.

- OBD Plug n Play. Simple to plug and no install
- Installed units. Installed and better if you want more accurate mileage and hidden away better behind the dashboard. Requires install.
